

# NSCECE 2011 Fall Workshop Planner

Please use this planner to help organize your workshop registration. Where there are multiple participants for a workshop please include full names on a separate sheet that includes the workshop title. Registration is only accepted with a payment. The College will accept in-person debit or credit card payments, in addition to cash or cheques. Forward payment to: Nova Scotia College of Early Childhood Education, 6208 Quinpool Road, Halifax NS B3L 1A3. Inquiries: (902)423-7114 Ext. 233.

No phone registrations accepted. Workshop fees are non-refundable. A voucher will be issued if the College is notified of cancellation a minimum of 7 days before the scheduled workshop date.

## Look for the workshop symbol

The college offers a wide variety of workshops each year to help meet the diverse professional development needs of people working in early learning and child care settings. It is our belief that people at different stages of their career look for different types of professional development opportunities and are interested in different types of conversations about their work. Look for these symbols on our workshop schedules to help you decide if a workshop fits your stage of development.

 **Budding:** Just starting your career in early childhood education? These workshops are designed to meet your early needs and to prepare you for the challenges that lie ahead.

 **Advancing:** Growing in your career? Past the basics? These workshops provide advanced training for maturing early childhood educators, which will reinvigorate you and motivate you to climb a little higher.

 **Master:** These workshops are designed to challenge seasoned early childhood educators who have a rich background in ELCC. You'll dig deeper and find new and innovative information for your maturation and skill level.

 **Something here for everyone.**

Of course, these symbols are just a guideline. We hope they are helpful to you as you make your choices. We look forward to your suggestions and feedback about our workshops to help us fine tune programming for the next term. Please call 423-7114 Ext.227.
