

## SPRING COURSES 2012

### **ECE 223 MOVEMENT, ACTIVE PLAY AND WELLBEING | 30 hours - Diploma Credit**

In this course students will explore the various aspects involved in creating and offering indoor and outdoor early learning environments that will support the recommended levels of active play for young children. Content will focus on Active Start Guidelines and the creation of developmentally appropriate active play opportunities throughout the routines and activities of the day.

Dates: April 4 to June 6, 2012     **Wednesday** evenings from 6:30 pm to 9:30 pm  
Fees: \$75-administration fee. \$400-tuition fee. \$50-annual student fee. Textbooks not included in fee.

### **ECE 157 BEHAVIOUR GUIDANCE | 60 hours - Diploma or Level 1 Credit**

This course focuses on assisting adults in a child care setting to understand children's behaviour as it is influenced by developmental and environmental factors. Students will learn practical skills for supporting and guiding healthy interactions between children and between adult and child.

PREREQUISITE ECE 101.

Dates: April 3 to June 7, 2012     **Tuesday and Thursday** evenings from 6:30 pm to 9:30 pm  
Fees: \$75-administration fee. \$800-tuition fee. \$50-annual student fee. Textbooks not included in fee.

### **ECE 311 Research Issues | 30 hours - Diploma Credit**

This course focuses on expanding the students' awareness and understanding of current issues which are affecting the field of early childhood education. Students will develop skills which will assist them in reading and critiquing relevant research, debating various issues and presenting a professional argument.

PREREQUISITE COM 100

Dates: April 2 to June 11, 2012     **Monday** evenings from 6:30 pm to 9:30 pm
